AL-22 Bridge Replacements over Tallapoosa River and CSX Railroad

The Alabama Department of Transportation (ALDOT), in cooperation with the Federal Highway Administration (FHWA), are proposing to replace two bridges on AL-22 in the City of Wadley in Randolph County. The first bridge is over the Tallapoosa River and the second is over the CSX Railroad. The project begins approximately 2000 feet west of the existing AL-22 bridge over the CSX Railroad and ends 3500 feet east of the existing AL-22 bridge over the Tallapoosa River. The replacement bridges would be built on new location north of the existing location of the two bridges. The total length of the project is approximately 1.2 miles. Your comments may be provided by mail, email, or voicemail as described below. The deadline to provide comments on the proposed project is **December 16, 2021**.

In-Person Meeting
Thursday, November 18, 2021

**SOUTHERN UNION STATE
 COMMUNITY COLLEGE**
Lakeview Room in the Resource Building
750 Roberts Street
Wadley, Alabama 36276
4:00 PM to 6:00 PM
