This form is provided to receive your comments regarding the proposed bridge replacement project on AL-119 in Jefferson County. Please use the space below, attach additional sheets if necessary. Your comments can also be submitted by, US mail, E-mail, Voicemail, or Website as noted below.

Comments must be postmarked on or before Friday, September 2, 2022.

Comments on the proposed project: *(Attach additional sheets, if necessary)*

One item of special importance to us is the identification of sites on our projects where contamination may have occurred due to the storage, handling, or disposal of hazardous materials. It is important that we identify such sites prior to acquiring right-of-way. Otherwise, taxpayers may incur responsibility for the cleanup of any such contamination. We appreciate any information given us on sites adjacent to this project where the following materials may have been stored, handled, spilled/leaked, or disposed of plating waste, solvents and petroleum products, dry cleaners' fluids, fertilizers, pesticides, foundry waste, paints, or other suspect materials. We especially appreciate help in identifying old gasoline station sites.

Please give any comments you have concerning hazardous wastes:
