Intersection Improvements at AL-6 (US-82) and CR-29 Autauga County

The Alabama Department of Transportation (ALDOT) an intersection improvement project on AL-6 (US-82) and CR-29 (Gin Shop Hill Road) in Autauga County, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by U.S. mail, voicemail, or online as described below. Comments for the proposed project must be submitted by **Monday, November 21, 2022**.

The proposed project is located along AL-6 (US-82) beginning just west of Malone Court and ending near Carter Road in Prattville, Alabama. The proposed project will improve safety at the US-82 and CR-29 (Gin Shop Hill Road) intersection along with improving safety and traffic flow. Improvements include the addition of traffic signals at the intersection of US-82 and Carter Road and on US-82 just east of Gin Shop Hill Road. The existing open median at the US-82 and Gin Shop Hill Road intersection will be closed. No traffic will be permitted to cross at this intersection. Traffic on US-82 turning onto Gin Shop Hill Road will utilize the traffic signals and perform U-turn movements. Traffic on Gin Shop Hill Road will also utilize the traffic signals and U-turn movements to enter the opposing US-82 travel way.
