**Access Improvements along US-431
from AL-144 to AL-204
Calhoun County**

The Alabama Department of Transportation (ALDOT) is proposing to improve access points along US-431 in Calhoun County, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by mail, email, or voicemail described below. Comments for the proposed project must be submitted by **November 28, 2022**.

The proposed project will improve access points along the US-431 corridor from AL-144 to AL-204 in Calhoun County, Alabama. The project includes adding turn lanes, as well as modifying and/or removing median crossovers. The proposed project is scheduled to begin in early 2023. A resurfacing project for this same section of highway is planned for the summer of 2023.
