### 1st Avenue Road Diet, City of Reform

The Alabama Department of Transportation (ALDOT) is proposing to resurface on SR-6 (US-82; 1st Ave) from 1 Mile East of the Reform City Limits (MP 16.810) to George Lewis Bonner Bridge just East of 4th Avenue Southeast. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments must be submitted by **January 15, 2023**.

### Project Description

*Resurfacing on SR-6 (US-82, 1st Ave) from 1 Mile East of the Reform City Limits (MP 16.810) to George Lewis Bonner Bridge just East of 4th Avenue Southeast. Within this resurfacing project, it is the intent to reconfigure the existing four-lane undivided section to a three-lane section. At the SR-17/1st St S intersection, the existing lane widths do not meet the minimum requirements. By converting the road to a three-lane section, this will improve the safety and functionality of SR-6.*

### In-Person Public Meeting

An informal meeting will be held:

Thursday, December 15, 2022  
5:00 PM to 7:00 PM

Reform Community Building  
(Yellow Building Near City  
Hall/Old ALFA Office)  
216 1st ST S  
Reform, AL 35481
