Bridge Replacement on AL-1 (US-431) over Cheneyhatchee Creek

The Alabama Department of Transportation (ALDOT) is proposing to replace the bridges on AL-1 (US-431) over Cheneyhatchee Creek in Eufaula, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, or online as described below. Comments for the proposed project must be submitted by **November 17, 2023**.

Project Description

ALDOT is proposing the replacement of two roadway bridges on AL-1 (US-431) over Cheneyhatchee Creek. These bridges will be replaced with wider bridges to accommodate high roadway traffic volumes. The new bridge will undergo phased construction such that all lanes of traffic remain open during the construction process.
