Bridge Replacement on AL-3 (US-31) over Norfolk Southern Railroad

The Alabama Department of Transportation (ALDOT) is proposing to replace the bridges on US-31 over Norfolk Southern Railroad in Limestone County, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **February 24, 2023**.

Project Description

The proposed project will replace the existing bridges on US-31 over the Norfolk Southern Railroad.

The bridges will be raised approximately 10 feet and two more train tracks will be added underneath the bridges.
