Access Management on US-280

The Alabama Department of Transportation (ALDOT) is proposing to improve traffic operations along AL-38 (US -280) in Chelsea, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **February 24, 2023**.

Project Description

The proposed project will resurface US-280 from Narrows Parkway for Old Highway 280. Access improvements include median closures, driveway closures, new left-turn and acceleration lanes, and intermittent widening. US-280 will remain open to traffic during construction, but occasional lane closures will be needed. This project is scheduled to begin construction in Fall 2023.
