Resurfacing of AL-15/US-29 Interstate Access over I-85

The Alabama Department of Transportation (ALDOT) is proposing to resurface the interstate access intersections on AL-15/US-29 for I-85 in Chambers County, Alabama. Information about the project is available to the public for review and comment. Your comments may be provided by US mail, email, voicemail, or online as described below. Comments for the proposed project must be submitted by **May 26, 2023**.

## Project Description

- The proposed project is a concrete resurfacing of the intersections along AL-15/US-29 over I-85.
- The project will help alleviate problems due to high traffic causing road damage as well as improvements to the turning radius of the on and off ramps.
