REFERENCE: Appropriations Act Project Funds

On March 23, 2018, President Trump signed into law the Appropriations Act of 2018. Of the many items contained in this bill, the transportation portion gave Alabama \$7,166,125 in federal funds to be used for MPO projects. The MPO's share of these funds are \$ and are based on the federal STP formula which uses population as a basis of distribution for the TMA's. You should anticipate seeing these funds show up on future Urban Area Funding Availability Reports on the FY Special Allocation field.
